

## **Freestylerz, Gteam Head Coach Position**

### **Purpose:**

The expectations below are in addition to the regular coaching duties of the Head Coach:

- Be at the designated meeting spot 20 minutes before the scheduled athlete arrival time.
  - Set up or assist with setting up meeting spot. Duties may include setting up tents, flags, tables etc.
  - Ensure all athletes are in their correct groups so groups may leave promptly for training.
  - Keep track of coaches arriving. Support groups if coaches are late. Notify Wade if there are coach 'no-shows'.
  - Host morning coaches meetings prior to each coaching session to ensure coaches have all information necessary to perform at their best.
  - Ensure coach radios are handed out ea. morning and returned at end of day
- Discuss expectations with coaches regarding coach conduct as needed. Work closely with Wade and Program Coordinator in taking appropriate action should the performance of any coach be inadequate.
- Monitor performance and professionalism of all coaches within the respective program.
- Ensure all coaches are following session plans in order to provide a full spectrum of training to athletes.
- Maintain regular communication with Wade. Note challenges or barriers to efficient operation of the programs and groups.
- Act as the main point of contact for all coaches (FZ or GT) during coaching sessions and throughout the season.
- Ensure sufficient coach numbers are at each coaching session. This requires some planning ahead to know what coaches will be away or present each day.
- In the event of a coach being unable to coach, the Head Coach will assist in scheduling a suitable cover coach.
- Provide weekly reviews to Wade on coaching sessions.
- Play a key role in building athlete groups. Working closely with Svin to develop and maintain excellent group dynamics.
- Responsible for building and maintaining an effective YTP. Work with Svin, Hayden and Wade as needed to ensure alignment with Comp, Dev, Big Mtn skill development pathways.
- Lead competition simulations and group coaching sessions as needed. Take the commanding role to ensure goals, standards and safety protocols are met.
- Assist in facilitating mid and year-end athlete reviews.
- Ensure coaches templates are sent out as per YTP
- Maintain routine communication with coaches to ensure all coaches know general plans for the upcoming week(s).
- Ensure all coaches have the required information to send out updates on the general group plan for the following week.
- Attend pre-season coaches training sessions.
- Assist in year-end coaches performance reviews
